Everything is good

Teachers should teach in brief concepts making the student able to understand instead of enlarging the concepts so that a student gets bored about that particular topic and loses its interest in studying that thing. This suggestion is for few teachers not all.

Teacher try to reach every student.
Ask for the doubts
Using comfort language for all students

some extra classes for ict's ...
Library must be upgraded
Every teacher should be kind with every student..

Use better graphics and visual media to engage students well. Try to reach every student and ask for their doubts. Make teaching a two way interaction.

Use technology and tools

Teacher should teach at home and students understand fully

Regular class tests + and to observe every student

1. Teachers should be student friendly
2. various programme. should be conducted regarding learning process
- 3 knowledge about good content of learning should be learned
